

GOLDEN DELTA EXPORTS

A SLASH GROUP COMPANY

*Premium Egyptian Fresh Produce
for Global Markets*

Oranges • Lemons • Grapes • Mangoes • Onions • Garlic • Sweet Potatoes

Who We Are

Golden Delta Exports is a fruit & vegetable export company under Slash Group — a family-owned Egyptian conglomerate with operations in marble, granite, and agricultural produce.

We source premium-quality fresh produce from Egypt's most fertile agricultural regions and ship to international buyers across Europe, GCC, and Africa.

We export to Europe, GCC, and Africa.

Why Choose Us

Reliable Operations

Consistent shipments, full traceability farm to port.

Professional Packaging

Custom cartons, cold chain, EU-compliant standards.

Premium Quality

Stringent selection — export-grade produce only.

Responsive Team

Dedicated managers, fast replies, proactive updates.

Competitive Pricing

Direct farmer relations ensure best FOB/CIF rates.

Long-Term Partnerships

We build relationships, not just transactions.

Our Products

Oranges

Lemons

Grapes

Mangoes

Onions

Garlic

Sweet Potatoes

Although we specialise in these fruits and vegetables, we also have access to key suppliers for other fruits and vegetables not shown here.

Quality Standards & Compliance

BRCGS

**British Retail Consortium
Global Standard**

The leading global food safety & quality standard. Required by major European retailers and supermarket chains.

ISO 22000

**Food Safety Management
System**

International standard for food safety management throughout the entire food supply chain.

GLOBALG.A.P.

**Good Agricultural
Practices — Certified**

Globally recognized certification ensuring responsible farm management and product safety.

SEDEX

**Ethical Trade &
Supply Chain Compliance**

Demonstrates commitment to ethical business practices across the supply chain.

GRASP

**GLOBALG.A.P. Risk Assessment
on Social Practices**

Assesses and improves social practices on the farm — worker rights and welfare.

HACCP

**Hazard Analysis &
Critical Control Points**

Systematic preventive approach to food safety — identifies physical, chemical & biological hazards.
